

FREE BONUS 1 OF 3

Printable Jar Labels

A front label and a round lid topper for all 81 numbered mixes in the book, in each chapter's color, plus blank labels for your own recipes.

HOW TO USE

- Print at **100% / Actual size** on full-sheet sticker paper (or plain paper and clear tape).
- Cut along the dashed lines.
- **Front labels** carry the "To use" line, so you never need the book to bake from a jar.
- **Round toppers** are 2¼ in: they fit regular-mouth lids. For wide-mouth lids, print the round pages at 130%.
- Write the day you filled the jar and its use-by date.
